

## OPPORTUNITY FOR A MAN OF MEANS

You are a wealthy man and believe that you don't need life insurance. But accidents happen—many fortunes are swept away through no fault of the owners.

You may expect to leave a large estate for the support of your wife and children. But through bad advice, lack of experience, extravagant habits, their inheritance may melt away after they lose your protecting care.

Even the proceeds of an insurance policy if paid to a widow, or to minor children, in one lump sum may be wasted or lost.

Safety can only be guaranteed by providing a definite income.

If you choose to make a moderate annual deposit with the **EQUITABLE SOCIETY**, the Society will pay your wife (or daughter) after your death an income for life—an income which cannot be diverted, or delayed, can never shrink or be in default, and can never be drawn prematurely, but will be mailed regularly to the beneficiary on the day it is due.

## MINISTER CAUGHT WITH YOUNG WOMAN

Rev. P. R. Campbell and Miss Josephine Hosley.

Pastor Declares That He and His Wife in Louisville Are Not Companionable.

### ARE WANTED IN KENTUCKY

St. Louis, April 30.—The Rev. P. R. Campbell, long known as one of the silver-tongued orators of the Christian church in Kentucky, whose last charge was Stamping Ground, in the Blue Grass state, and who told the trustees of the church several weeks ago that he felt it was incumbent upon him to quit the ministry, was arrested in St. Louis at 2816 Washington avenue by Special Officers Fox and Dowell, of the Central district, in the company of Miss Josephine Hosley, a former member of his congregation. The arrest was made at the direction of Night Clerk of Police Gillaspay, who acted on a telegram received from John Richards, marshal at Stamping Ground.

The couple had been in St. Louis since last Friday. On that date they registered at the Moser hotel as Mr. and Mrs. Campbell. Then they moved to the Washington avenue address. Yesterday, according to the minister, they were preparing to go back to Kentucky and beg the forgiveness of the father of the young woman, who is a farmer living near the little church where Campbell was pastor.

Has a Son Four Years Old. He had made up his mind, he said, to tell the old father and mother the story of his love for their daughter, and to assure them that he would marry the girl as soon as he and his wife were divorced.

Last night he told Chief Gillaspay that he did not exactly understand how the divorce was to be secured. He and his wife, he said, were not companionable, although they had lived together for five years, and a little boy, 4 years old, was born of the union.

"I could only see this young woman's eyes, as I stood in the pulpit," said Rev. Campbell, "and I learned to love her, and I love her still, just as devotedly as any man could learn to love a woman."

This statement was made to Chief Gillaspay in the presence of Miss Hosley, who nodded her head to every statement made by the minister, and finally declared to the chief that she loved the preacher and would stand by him, no matter what happened.

### Demands Requisition Papers.

Rev. Campbell is 27 years old, and Miss Hosley said she was 19. The preacher said he would not go back to Kentucky without requisition papers, and when this information was imparted to Marshal Richards by Chief Gillaspay over the long distance telephone he gave instructions to hold the pair, especially the girl, and said that either he or an officer of the county would be in St. Louis within twelve hours to claim the prisoners.

In his cell at Central station Rev. Campbell reiterated that he loved the young woman, and said he hoped that conditions would become such that he could make her his wife.

He denied that there had been any understanding between him and Miss Hosley until Mrs. Campbell left her home and took the baby boy to Louisville, where she is living with her parents at 617 West Broadway. He also said he did not know that the trouble between himself and his wife was the result of his friendship with Miss Hosley, although Mrs. Campbell knew about it, he said.

Rev. Campbell has had a number of charges in Kentucky. Among them have been those at Corinth, McCormick, McDill, Maude, Botland and Beardstown.

## Cures Dyspepsia; Trial Is Free

It is a popular mistake that only wealthy people who eat rich and highly-spiced foods suffer from dyspepsia, or, as it is also known, indigestion. The laborer in the street, the worker in the field also finds himself a victim of this disorder. Among the very greatest sufferers from it are women.

Dyspepsia is indicated by a constant feeling of fullness, loss of appetite and troubled sleep, by sour stomach and distress after eating, by bad complexion and lustreless eyes.

There is no surer and speedier cure for this trouble than Dr. Caldwell's Syrup Pepsin, which dyspepsia have been using successfully for twenty years. This great herb laxative compound cures Capt. Clark, of dyspepsia and sour stomach that he had had for forty years, or until the lucky day that he heard of Dr. Caldwell's Syrup Pepsin. It cured Joel Adams, of Montgomery, Ala., after suffering continuously for sixteen months. There are only a few of the many. But it is not expensive to be cured with this great remedy, as it can be bought at any drug store in a 50-cent or \$1 bottle.

Your very neighbors are probably life-long users of Dr. Caldwell's Syrup Pepsin, but you want to know without expense what it will do for you personally, send your name to Dr. Caldwell and he will be glad to send you a free trial bottle. He is actually anxious to have you make a test of his remedy.

Thousands of families everywhere keep it in the house against such an emergency as constipation, sour stomach, indigestion, biliousness, dyspepsia, heartburn, torpid liver, etc., which may come on a member of the family any day. It is pleasant to the taste, acts gently and does not gripe. It is the great children's laxative tonic.

If there is anything about your present trouble that you do not understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

mother, Mrs. Elizabeth Duncan, at 617 West Broadway, said that she had reached Louisville eight days ago. She said she had suspected her husband and had determined to get him away from Stamping Ground. It was therefore arranged, she said, that she would come to Louisville to her mother and that her husband was to sell some of the furniture and ship some of it to Louisville, whereupon he was to join her here.

"I waited for him, but he did not come," said Mrs. Campbell, "and a few days ago I received a letter from a friend at Stamping Ground saying he had sold all our furniture and had disappeared. The letter also stated that Miss Hosley disappeared simultaneously. I had no idea where they had gone, but I was sure the young woman was with him."

Asked if the minister had been arrested at her instance, Mrs. Campbell said: "No, I had nothing to do with his arrest. I suppose the arrest was at the instance of Miss Hosley's people. My husband met her about a year ago, when we moved to Stamping Ground. He was chosen as pastor of the Christian church there, and we rented the upper part of the Hosley home, near the village. It was while we lived there that Mr. Campbell met and seemed to become infatuated with the girl. I realized the condition of affairs, and that is why I am here. I had no idea, however, that he would desert me for her."

Asked if she would be reconciled to her husband, Mrs. Campbell replied that she would not, since he had deserted her. There had been no trouble between them, she said, until he met Miss Hosley.

"I received a letter from Mr. Campbell yesterday," she said, "in which he told me that he had left Stamping Ground with Josephine Hosley, but that he was repentant. He said he had already started her back to her people and would come to Louisville and try to do better."

### Money Comes in Bunches.

To A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness, and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of all medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c at all druggists.

### A SLIGHT REDUCTION

Made in Wood Pulp and Print Paper by Senate.

Washington, April 30.—The senate finance committee is understood to have practically decided to place a duty of five dollars per ton on printing paper and \$1.58 per ton on wood pulp, which is a slight reduction from the Dingley rate in both cases.

A canvass of the senate, has, however, almost convinced the committee that it will be very difficult if not impossible to get any duty through, and as a consequence the committee is in a quandary as to how to proceed further.

Nursing Mothers and Malaria. The Old Standard GROVE'S TASTE-LESS CHILL TONIC drives out malaria and builds up the system. For grown people and children, 50c.

"Home Rule" Bills Pass. Lansing, Mich., April 30.—The senate passed the "home rule" bill today and the house in a committee of the whole agreed to a similar measure. The bills aim to secure a greater degree of "home rule" and uniformity in city charters without revoking any of the powers at present enjoyed by the municipalities. A futile effort was made in the house to eliminate the provision enabling cities to own street railways and heating plants.
